

## 2020 Nova Scotia Business Delegation Offshore Technology Conference Houston, Texas

May 4-7, 2020

The Offshore Technology Conference (OTC) showcases leading-edge technology for offshore drilling, exploration, production, and environmental protection. OTC is the world's foremost event for the development of offshore resources. The conference attracts attendees and exhibiting companies from around the globe. Trade Commissionaires from various countries will be present and available to discuss export opportunities. The Nova Scotia Department of Energy and Mines is leading the NS delegation in organizing and planning of Nova Scotia's presence at OTC 2020 – it is a business and networking opportunity you won't want to miss!

### Benefits for participating Nova Scotia Companies:

- ✓ Registration fee includes exhibitor badges
- ✓ Opportunity to connect with Trade Commissioners from various countries
- ✓ Access to hotel block booking at the DoubleTree Suites by Hilton – Early bird rate prior to Feb. 7
- ✓ Full access to Nova Scotia booth for meetings and refreshments
- ✓ Company name included on NS booth panels and opportunity to showcase promotional materials
- ✓ Invitations to networking events, breakfast sessions and other important events
- ✓ Listing in official OTC Show Guide and on the website
- ✓ Company profile in the Nova Scotia Delegate booklet
- ✓ Over 60,000 + energy professionals from over 100 countries will be present

### And...

New this year, an Exporter Growth Program for new companies!

Has your company been interested in the opportunities in the Gulf of Mexico and you want to explore this market for the first time? If you have never attended OTC, or it has been awhile since your company considered this market, please contact us and find out why this program will work for you.

Successful applicants to the program will receive access to a consultant to assist in facilitating and coordinating business opportunities in the Gulf of Mexico oil and gas market.

#### Interested in Attending?
